— Matthew 25:40 (ESV)

*God should be most where man is least:
So, where is neither church nor priest,
And never rag nor form of creed
To clothe the nakedness of need,-*

~ John Greenleaf Whittier, 1807-1892

Thus He whose tender mercies are over all His works hath placed a principle in the human mind, which incites to exercise goodness towards every living creature; and this being singly attended to, people become tender-hearted and sympathizing; but when frequently and totally rejected, the mind becomes shut up in a contrary disposition.

~ John Woolman, 1720-1772

We extend welcome to all guests to our Meeting and ask that you please fill out one of the yellow cards found in the slot on the back of the pews.

Sleep in Heavenly Peace Our NC-Randolph County chapter is now a reality. Despite Hurricane Helene barreling through the area, we had our inaugural bed build on Saturday, September 28! We built fifteen beds so that fifteen kids in Asheboro will not have to sleep on the floor!

You can help in any of several ways — building a bed, volunteering to deliver beds, collecting bedding or pillows, sewing quilted comforters, fund-raising, donating funds, or praying!

*Social
Conscience*

11. *Do you minister to others, understanding that when you minister to "the least of these..." you are ministering to Christ as well? Do you as workers, employers, producers, consumers, and investors endeavor to cultivate goodwill and mutual understanding in your economic relationships? Do you intelligently exercise all of your constitutional privileges and thus seek to promote Christian influence locally, nationally, and internationally?*

Quakers use the term Query to refer to a question or series of questions used for reflection and in spiritual exercises. Friends have used Queries as tools for offering spiritual challenges to the community for much of our history.
